

SMALL SYSTEM OPERATOR TRAINING:
**Achieve & Maintain
Compliance with the SDWA**

Small Systems Resilience 2026

Achieve and Maintain Compliance with the Safe Drinking Water Act!

Your utility faces day-to-day challenges providing reliable, safe drinking water for your customers. This FREE one-day workshop is offered to help your utility learn about compliance with drinking water regulations and steps to avoid costly violations. The 2026 class repeats some of the 2025 class content. **Water Operator CPEs | Engineering CECs – 7 Credits.**
